National Day of Action against Bullying and Violence

Wyrallah Public School, as all public schools, has a strong commitment to do everything we can to make our school safe and supportive for all students. We actively strive to create and maintain a respectful, inclusive and safe learning environment.

The National Day of Action against Bullying and Violence calls on school communities across Australia to take a stand together against bullying and violence. The day coincides with our commitment to fundraising on behalf of the Leukaemia Foundation’s ‘Funky Friday’ crazy hair day. As we knowingly transform our heads into something ‘outside the norm’ it is an opportunity to reflect on the varied forms of bullying that can exist in schools and broader society. Research has repeatedly demonstrated that children dealing with blood cancer are often the victims of bullying at school, including primary school. Our day will work towards raising awareness both about people living with blood cancer and the issues of bullying.
