SOME DISAPPOINTING NEWS

This week it was discovered that thieves have been about in Wyrallah village. As they say in the news ‘person or persons unknown’ have entered our lovely school grounds and stolen a garden hose and all the associated fittings for it. As you would be well aware, our General Assistant works diligently to maintain the fabulous school grounds that we all enjoy – both as a school and as an important feature of our lovely historic village. If we all work together to be supportive of our neighbourhood and vigilant about things that might not be ‘quite right’ then we can continue to maintain the qualities of community and village life that we value. Should you note anything ‘not quite right’ happening out of hours at our school it would be most appreciated if you could phone the Schools Security Unit. The phone number is: 1300 880 021.

FUNKY FRIDAY

YOU’RE INVITED!! Tomorrow, at 11:30 am to 1:00 pm, Friday, 15th March, our school will once again be participating in fundraising for the Leukaemia Foundation. As part of the World’s Greatest Shave (which began in Lismore before it went global) our school will ‘Get Funky’ on Friday by colouring our hair. The school will provide Instant Hair Colour Sticks (rub it in and wash it off) make and donated by the hair care company Cinta; coloured hair bands, hair styling gel and a cape to protect clothes while colouring hair. This year we will not be using spray hair colouring.

The money we raise by you and your family & friends sponsoring the Funky Friday crazy hair colouring will help the Leukaemia Foundation to look after people with blood cancers. These are diseases like leukaemia, lymphoma and myeloma. The money is also used to pay for research into better treatments for blood cancer. All donations ($2 +) are tax deductible; receipts will be issued for donations.

HAT IS EARTH HOUR?

Earth Hour is a simple idea that has quickly turned into a global phenomenon: hundreds of millions of people turning off their lights for one hour, on the same night, across the globe to show their commitment to creating a more sustainable planet.

On the night of Earth Hour 2013 – Saturday, 23 March all over Australia, councils, businesses, schools, community groups and individuals are invited to be a part of or to host an Earth Hour event. Involvement can be as simple as bringing out the candles and the board games or simply enjoy a conversation with your family rather than watching television.

It is much more than a symbolic action of switching off lights for an hour; it’s a continuous movement driving real actions, big and small, that are changing the world we live in.
MY FIRST YEAR
Kinder photos will appear in a special lift out of the Northern Star on Monday, 25 March 2013.

FEES - SCHOOL VOLUNTARY CONTRIBUTION
Have you paid your school fees? Many thanks to the families who have already paid the School Voluntary Contribution, commonly referred to as School Fees. As a reminder the money is used at our school to provide students with textbooks and workbooks for the year. It also provides class consumables which many other schools require students to purchase, such as pencils, paints, rubbers, glue and rulers.

$30 per child, $20 for second child, and $10 for third child
An invoice for the school contribution was attached to the newsletter a couple of weeks ago. If you are having financial difficulties in paying these fees please feel free to contact the school. The school does have a small amount of funds for financial support. All information will be treated confidentially.

P & C VOLUNTARY CONTRIBUTION – INVOICE ATTACHED TO THIS NEWSLETTER.
$30 per child, $50 per family and $5 P & C Membership Fee
