School Sleepover

What a great adventure! Leaving home early on Tuesday morning to head to school and not getting home again until late Wednesday afternoon is Not your typical school day...er, night...er, day!! Kinder to Year 6, one and all, joined in the fun ‘incursion’ by participating in a sleepover at school.

A huge thank you to Peter Graham for braving the overnight stay; Charlotte for preparing dinner; James for moral support; Mr Grey, for changing his mowing schedule to keep the children safe; Mrs Lazzaroni for everything! Last but not least to the students for their wonderful behaviour!

School Intensive Swim Scheme

Today saw the commencement of our School Swimming Scheme at the Goonellabah Sports Centre. Thank you to our parents for having students organised and prepared for this scheme.

Last Day of Term 3

With yet another Term approaching the finishing line the P&C will be cooking a BBQ for the students on Friday 18th September. For only $2 students can order a Sausage and a popper. Please complete to order slip and return to school by Wednesday 16th September.

Biggest Garage Sale

North Coast “Biggest Garage Sale” will be held on Saturday 26th September (middle weekend of the school holidays). Please remind your family and friends - all donations greatly accepted! We are putting the call out for volunteers to please help Charlotte with setting up and throughout the day at the school. Please contact the school office if you are able to help.
Fundraiser for our school

Fred Hoskins and the Wyrallah community fundraise each month for a family or organisation in the community. On Sunday 11th October a BBQ will be held at St Thomas', Wyrallah at 5pm as a fundraiser for our school. The cost is $5 per person or $20 per family. Please come along with family and friends and support this worthy cause.

Smart Shades

The Cancer Council and leading ophthalmologists support the medical need for sunglasses to be worn by primary school students. Current Australian medical research has revealed that children under the age of 10 years are unable to block as much UV radiation as adult eyes, making their eyes more susceptible to the damage caused by UV rays. UV rays are at their strongest between 10am and 2pm, which is when students are at school. A broad brimmed hat has been an integral part of primary school uniforms since the mid 1990’s but only offers 50% from UV rays, with sunglasses completing the last 50%

Wyrallah prides itself on being a Sun Smart School and as part of this the program we will now be offering Smart Shades as part of our school uniform. These sunglasses are bottle green, have a panel to write students names on and come with a protective case for only $15. They are available in three sizes and samples are available in the school office.

If you would like to order smart shades for your students please complete the attached order form and return to school by Wednesday 16th September. This should ensure that sunglasses are available early next term. Our school will subsidise the Smart Shades by 50%, however any subsequent pair of shades will available at full cost of $15 a pair.
